The 1969 Greenfield tax rate was $5.76 per $100.00 distributed as follows: school $4.28; town $1.11; county .37.

1969 was the winter of the big snow. With a substantial snow cover on the ground, a storm on February 9 and 10 brought 24 inches of new snow, storms February 24 through 27, 30 inches more and a storm March 3 an additional 6 inches. High winds piled up huge drifts. Snow moving equipment was overtaxed and unable to open all roads for several days after the big storms.

A public hearing was held on April 18 for the purpose of hearing the proposal and the plans of an applicant for the establishment of a manufacturing plant for processing apples and other fruit in the Russell Station area.

On December 16 the first of the two required hearings was held to consider amendments to the zoning ordinance in regard to industrial areas, one-acre lots and subdivisions.

The Improvement Association held a cleanup day in May when the common was raked, the trees fertilized and some painting done on the fence of the village cemetery behind the town house.

Memorial Day was observed with a parade in the village which consisted of veterans, school children, a color guard of the Veterans of Foreign Wars from Bennington, a firing squad from the Antrim American Legion and the Antrim High School band. Rites were conducted at the cemeteries, at the World I memorial at the Library, at the State Park at World War II memorial and at the lake there for Naval Veterans.

The Recreational Committee organized the 13th annual Whing Ding. The midway on the common was opened on the evening of July 3. On July 4 events included a Little League baseball game, a parade of 24 units, 2 parachute jumps, a country supper, a square dance and fireworks. Selection of queens, a raffle and generous prizes for parade entries added to the attractions. Attendance was average, approximately 3,000 during the day and 5,000 at the fireworks. $650.00 was realized.

The two new rooms, prepared in 1968 in the basement at the school, one for remedial reading and one for a library, were furnished. The first annual allotment of over 50 books for the school library was received. The Woman's Club sponsored the school dental clinic, for the first time assisted by state funds on a so-stated matching funds basis.

Mrs. Velma Stone was appointed town librarian after the resignation of Mrs. Virginia Hewitt. A new bulkhead was installed at the library. The Woman's Club provided funds for a sink and

cabinet, with the connecting plumbing, on the ground floor at the library.

Mr. Richard A. Weir became the minister of the Union Congregational Church. Junior High and High School Youth Groups were organized to include all town youths of proper age.

A traffic light was installed on the Francestown Road in front of the fire station to halt traffic while the equipment is responding to alarms. The fire department purchased a smoke ejector. Ten monitor radios were installed in firemen's residences to alert the men to calls. Greenfield Civil Defense sponsored a radiological monitoring course in which 9 men participated.

An addition, 16 feet by 22 feet, was built on the north side of the telephone office building to provide space for additional automatic dialing equipment needed to connect future subscribers and to transfer the Francestown subscribers from the New Boston office to the Greenfield office. Calls to Francestown are now made without a toll charge.

E. C. & W. L. Hopkins, Inc., Feed Manufacturers, increased their bulk storage capacity by 14,880 cubic feet with the installation of 8 steel bins mounted on steel pillars beside existing bulk storage over the work floor. The 8 bins were assembled on the ground and lifted into place as one unit by a crane.

Otto Jesperson began the manufacture of printed circuits in the former Greenfield Industries work shop.

Mr. and Mrs. George M. Arisman opened a shop for the restoration and sale of antiques in the barn on their property on the South Francestown Road.

Lazar R. Sion, Dr. of Chiropractic, opened an office in the Long Block.

A section of the sidewalk on Slip Road beside the Library was rebuilt to meet the previously improved section on Forest Road, and that section was extended up Forest Road.

The Commission on Accreditation of Rehabilitation Facilities granted accreditation to Crotched Mountain Rehabilitation Center for its program of physical restoration and vocational adjustment. Dr. Malcolm McKenzie was appointed director of medical services at the Center.

In December the State Park opened for the winter for the use of snow-mobiles.

The Pre-School Parent Teachers' Association organized a series of 3 immunization clinics for pre-school children.

The 4-H Club was reorganized as the Future Home Makers and Live Stock Club with 26 members.

The Sportsman's Club arranged a fishing derby for town children under age 12 in addition to their annual fishing derby for the children from Crotched Mountain Rehabilitation Center.

This was the concluding year of the Adams Farm Camp, operated by Mr. and Mrs. Jarvis M. Adams since 1961. A total of 26 girls spent varying periods of time during the 8 week camp period this year.

Scott Carbee, Calvin Pero and Frank Shea enlisted in the U. S. Army. Donna L. Atkinson enlisted in the U. S. Navy.

Stephen Sawyer was selected to attend a six-week summer school at Dartmouth College under the supervision of the government sponsored A. B. C. program.

TOWN TREASURER'S REPORT

To the residents and taxpayers of Greenfield, New Hampshire, I respectfully submit my fifth annual report as your Town Treasurer:

In 1969 increasing expenses and less working capital during most of the year obliged us to borrow more money in anticipation of taxes, and for a longer period, than in the past. In 1968 we borrowed $30,000.00 May 10 for the balance of the year. For 1969, however we had to borrow $50,000.00 on March 28 and an additional $40,000.00 on September 8, or a total of $90,000.00, which was three times our borrowings of other recent years. We therefore had to pay much more interest for these funds due to the longer time involved, much higher total amount and, of course, higher interest rates.

Our receipts in 1969 exceeded those of 1968 by $3,127 but our expenditures were up even more by $38,448.00.

An analysis of our total town receipts in 1969 as compared to 1968 in four major categories is shown in the following tabulation:

TOWN TREASURER'S REPORT

ANALYSIS OF TOTAL TOWN RECEIPTS

	1969	%	1968	%	1969 vs. 1968
Property Taxes, incl. Interest	$137,937	78	$114,755	75	$23,182+
Interest and Dividends Tax	18,851	11	17,176	12	1,135+
Motor Vehicle Permits	8,417	5	8,047	5	370+
All Other Items	10,564	6	12,124	8	1,560−
Total	$175,769	100	$152,642	100	$23,127+

It is clear from this table that nearly four-fifths of our total receipts in 1969 were derived from the tax on real estate and this high percentage continues to increase annually.

There follows a comparison of receipts and expenses for 1969 vs. 1968 below which is a tabulation for 1969 on a monthly basis:

COMPARISON OF RECEIPTS AND EXPENSES
1969 vs. 1968

HIGHWAY AGENT'S REPORT

With the submission of this report, I would first like to thank all who helped and co-operated with the department this past year and those who were in any way inconvenienced while road work was being done. Also, the many people who were so patient during the snow storms.

The heavy snowfall early in the year took its toll on both winter funds and equipment. Much plowing time was lost due to truck break-downs and the repairing of broken plows, chains, etc. The immensity of the storms made the hiring of larger and more powerful equipment to clean and widen the roads necessary. This, in particular, added a large amount to winter expenses. Since that time, many changes and repairs have been made to plows and equipment, which should reduce the loss of plowing time due to equipment breakdown.

The summer season began early, with excessive problems, due to melting snow and heavy rains. Grading was started in early May and all traveled roads were graded and ditched as many times as possible during the year. Some of the other work which was done on the roads included the widening of the road and placement of a new culvert near the Carbee residence on East Road. This should help with snow removal and the mud problem in this area. Other culverts were replaced and cleaned. Much more of this work should be done. Also, we removed many

large stones and cut brush throughout the town roads. Hopefully, this type of work will be continued until all of the dirt roads are done, greatly improving the traveling conditions.

Again this year the department participated in the Job Youth Corps program. This is financed by the Federal government to give some of the town youths an opportunity to earn money and gain experience. The department is now in conjunction with the Peterborough Consolidated School, providing a work experience program. Two local boys are participating in this and at the end of the year a credit will be given toward their high school education.

The highway garage was repaired and painted and a new overhead door installed. The salt shed was enlarged to accommodate more salt and to make delivery easier.

Sealing was done on Slip Road from the railroad tracks and Zephyr Road to Lake View Circle. This should be completed this year to Route 31.

Some black topped roads are in poor condition, notably East Road and Old Mountain Road. It is a waste of the taxpayers money to build a hard surfaced road and then not maintain it, especially when State funds are involved. The up-keep of a road is certainly much less than the initial cost of its construction.

The TRA and Duncan Fund monies were used to further construction on the Old New Boston Road. Clearing was done and excavation completed late in the fall. Construction should be completed this coming year, adding approximately one-half mile of hard surfaced road.

In closing, I would like to say that it is with regret that I must show such a large over-draft. A number of things contributed to this. Among them, the absence of the Town truck for three months and the amount of materials needed for the repair of buildings and roads. I felt that all the work which was done was necessary. I hope the department has shown many road improvements and the townspeople will join with us in the hopes of seeing more progress in the ensuing year.

Respectfully submitted,
Maurice A. Belmore
Highway Agent

REPORT OF THE PLANNING BOARD

The Planning Board's efforts over the past year have been concentrated on three major proposals, —the one-acre minimum lot size, the industrial areas with definite boundaries, and the Subdivision Regulation. The two latter proposals were complicated and involved much discussion, with special conferences and meetings.

Two public hearings were held on December 8, 1969 and January 27, 1970. These involved all three proposals which were thoroughly discussed and explained, in preparation for voting at this Town Meeting.

T. T. McDonald
Chairman

REPORT OF THE OVERSEER OF PUBLIC WELFARE

There has been no direct aid given to anyone in our town this year through this office.

However, residents have been referred to the proper established agencies in the Federal, County and State so that no one has been left unaided.

The surplus food program of the Federal Government is administered through this office and ten people who qualify receive this assist to their food budget.

Our financial share is paid monthly for those in our town receiving Aid to Dependent Children; Old Age Assistance and medical benefits, also.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits

for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable materials in or near woodland, maximum fine is $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

GREENFIELD RECREATION COMMITTEE

The Greenfield Recreation Committee again sponsored the Little League, Day Trip for the Elementary School at the end of the year, and the Annual Halloween and Christmas Parties.

As everyone probably knows, the Annual July 4th Whing Ding helps to raise the monies for the above activities. The Whing Ding was again headed by the Recreation Committee. The theme of the parade was "TV Commercials" with monies and ribbons awarded to the winning entries. Miss New Hampshire and Little Miss Whing Ding were the reigning beauties for the day. Other activities for the occasion were the Midway, Booths, Games, Old Fashioned Country Supper, Square Dance, Raffling of Portable TV and Transistor Radio and ending the day with a huge fireworks display.

The Little League was coached by Edward Clarke and Kenneth Kendall. Our thanks to both of these men who gave of their time to keep the team going this year.

The Elementary School had their day trip at the end of the year. The 1st, 2nd and 3rd grades went to Silver Ranch, Jaffrey and then to the Friendly Farm in Dublin. The 4h, 5th and 6th grades went to Boston and surrounding areas.

The Halloween party was well attended. Small prizes were given for the winning costumes. Apple cider and home baked goodies were served after the games.

The Elementary School did the musical portion of the Christmas program. Our thanks to the teachers for the wonderful job they did. Santa Claus and his helpers passed out approximately 150 gifts to babies up through the 6th grade.

We give our heartfelt thanks to everyone, group or individual, who has helped us, big or little, without activities.

Respectfully submitted,
Babette A. Merchant
Secretary
